

2015 Year in Review

During 2015, Learning Alliance continued our Stories of Learning Initiative, focused on creating a vision for education in New Mexico and supported local networks committed to transformative education. We brought our Values Framework to more than 125 one-on-one meetings and more than 190 community meetings. Below we provide a sampling of highlights from each month.

January

- Hosted community dialogues dedicated to creating a local vision for education
- Spoke on Generation Justice's radio program about education leadership

February

- Distributed Albuquerque Education Vision Report
- Partnered with Families United for Education to convene Albuquerque Public School Board Member Candidate Forum

March

- With Littlelobe, hosted Stories of Learning community dialogues in Estancia and Los Lunas
- Co-curated the TEDxABQ Education conference - 2020 eExpectations

April

- With Littlelobe, hosted Stories of Learning community dialogue in Bernalillo
- Partnered with Littlelobe, Mission: Graduate and NM PBS - American Graduate on televised Town Hall
